Building Des Moines I9 Iowa Dear Mrs Lucretia E. Garretson and Ramona Campbell , Secretary I have your letter of February IIth, in which was response to my letters of January 5thand February Ist , 1949 to the Honorable William S. Beardsley at New Virginia and to the Honorable Governor William S. Beardsley % State House Des Moines relative to his father s biography and the Ream Genealogy .

I am retyping your letter and am mailing copies to our honorable Governor also Mrs Dora Ream , Keosauqua Iowa , Mrs Helen Borer 160 North Ward St Ottumwa Iowa, her mother Mrs Jesse V Ream 138 S Elm

Street ,Ottumwa Iowa .

Mr Charles F. Ream , Libertyville Iowa . Dear Mr Ream . We find a grea t deal of scattered information concerning the Ream family. In two small pamphlets we find the Ream Genealogy. One of these (929.2 -R 23 ) isa disconnected history of the family with Jjust dates and names. Some of it we are going to inclose in this letter. The other pamphlet deals with the Reams who were in various wars, mostly the Revolutionary War 1937103

I quote My book is of the Reamand Stukey families genealogy of course Gene alogy of the Stukey , Ream, Grove, Clem, and Denniston families ( By Elmer Leonidas Denniston . D.O. Published by the author ,417 North Second Street Harrisburg , Pa

You quote second paragraph, On this library we have just one book of each kind so are unable to loan any books , but all that we find that we think pertains to the family we desire we are sending youor to you! You quote third paragraph ,

The Reams of Poweshiek county, Iowa seem to have come from Clearfie ld county, pennsylvania, and may not be your line at all but we are sending you this also.

I quote in reply briefly . I am informed by Mr Norman B. Ream and Mr D.L. Denniston, that the Ream name in english and Rheim in German form in America are all decendants from the emigrant Eberhard Ream-Riem, Riehm - 1687-1779 of Leimen Germany, and Lancaster County penn, and this name has been juggled ten other ways from the original three ways. So the Reams of Poweshiek county, Iowa are originally from Lancaster County Penn

You quote fourth paragraph. A few years ago there was a man that did a great deal of work in the library whose name was Ream, He died about two years ago and what has become of the accumulated material that he had I have no idea . He had been a school teacher and was also writing two or three county histories. He spent many days in this library looking up material. He had a friend by the name of Murrow who is quite a historian, but I do not know the man, s first name . After Mr Reams death this man, Murrow, regretted the fact that all of his work would be lost, You may know of this Mr . Reams ----- I quote\*

Mrs James Sheehey of 2330 East 34th Street . Des Moines Iowa whom is my Niece married to Mr James Sheehey employed by Sears R Co at Des Moines , both , her father John C. Cooley , took me to his home and introduced me to a Mr A.A. Reams

Page 3 This Mr A.A. Reams informed me that his line comes down through Matthias who was one of the eleven children of the emigrant Eberhard Ream ! I also met him the second time in person but since I have met him I have obtained the enealogy of the Ream family from Mr D.L. Denniston and I have Matthias, s line so you see he has or his ancestors has juggled a s on the Ream name. The same name has been juggled george C. Reames of rairfield Iowa who mentions O.K. Reames to me in his letter whom is the same O.K. Reams you mention to me which will give me a lead now to connect him with my people of From your page 289-1788-To the Pioneers of the Ohio Country -1938 . The Official Roster of the Soldiers of the American Revolution who lived in the State of Ohio, at bottom of your sheet. Had Mr A.A. Reams lived he would have gotten all this information he spent many days in the library looking up material. I have a copy of his death notice from the Des Moines papers From this Mrs James Sheehey of 2330 East 34th Street , Des Moines you can get this Murrow, s name and address from her father who has evidently met this Mr Murrow, however

You quote Fifth and last paragraph of your letter Your letter was sent to us by the Governor and if you are pleased with our answer we would appreciate it if you will kindly inform the Governor of the service you have received from this department II am mailing the Governor a copy of this letter, in fact I know the Governors father and mother as he was born in my home town ( Beacon ), from 1895 until our Governor was born and the fire which almost, but scarred his father who almost lost his life , until he moved to Birmingham Iowa recently afterward - re-entered the Pharmacy business and reared Bill , In these short years I have much in store in my memories, and I am using many of Bill, s fathers characteristic ways in my life today that Bill, s honored Dad taugh me, the same he taught Bill So Bill will get a copy of this letter and I wish that you would refer me to any of the people that inquire of the Ream genealogy starting from the 1st generation that emigrated to America and the emigrants eleven children, whom are the second, and his grandchildren whom are the third, and some of the fourth, I have a book on the history of Mahaska County prior to 1878 contains much of Bills fathers Biography 3

Your second letter of the IIth. The law Library just called with the following information: Jacob Reams from Van Buren County, Iowa, is listed as voting in the Fourth General Assembly, 1853.

When Mrs Dora Clark sent me the Biography of Jacon Ream born in Somerset County, penn 1776, she left out his son Jacob Ream Jr, and there was some question and in my conversation with Mrs Helen Borrer and her mother a question arose about this but after writing you for a connection of this she later wrote me and inserted Jacob Ream Jr which you have now confirmed and this makes our connection all right.

All the war records you are giving me is also in this book, and I viewed the cemetery where the Emigrant and wife and families are buried, the pictures of the graves and cemetery is in my book! To avoid confusion, it is best to use names of man and wife and dates of birth, as Jacob Ream of 1776 is listed with his brothers, and his father Andrew Ream the Captain and family of seven sons!

Another sheet History of Bedford , Somerset and Fulton Counties Penn 1884, is in more detail than I have in the book of Norman B. Ream, also I have more in the book on Vinnie Ream than you are giving me

### BESS GEARHART MORRISON

Bess Gearhart Morrison is coming back again. Having been presented on all of the Mutual-Morgan's larger Chautauqua circuits, there have been more requests for the return of Bess Gearhart Morrison than any attraction ever used by the Mutual managers. That fact alone should insure the chautauqua patrons that she has something immensely worth while for the chart.

Bess Gearhart Morrison is more than a reader, she is more than an entertainer, she is both of those combined and plus—Bess Morrison.
